Discussion: Step 2 Phase 3 Re-opening plan for Montague, MA

- Discussion to update the Board of Health members that we are now entering Step 2 Phase 3 of the COVID-19 reopening Massachusetts plan and to see if they want to institute any stricter regulations. With that being said, there is a loosening for restaurants of an increase in the size of a party seated at a table to 10 persons up from 6. There is also seating allowed at the bar as long as social distancing and no standing customer service is done. The outside gatherings have also increased from 25 to 50 people. The Board of Health members reviewed the checklist and are in agreement with the protocols that are in place for Step 2 Phase 3.
